

AAAs Com Solution Pte Ltd
Innovative IT Retail

Founded July 1995, AAAs (pronounced "Triple A's") has been focused on the business of computer retail. We have attained numerous sales achievement awards since and continue to do so. We currently operate branches in major IT hubs like Funan DigitalLife Mall and Sim Lim Square, catering a wide range of computer related products and services.

We specialize in top quality Notebook Computers, Desktops, PDA, GPS, Printers, Software, Networking, Peripherals and Memory.

Constantly participating in major exhibitions and trade shows, we have achieved a significant presence at such events representing a variety of top brands.

Our goal in business is the continued improvement on our infrastructure to provide a wider choice of quality products and services to our customers with the best possible value.
